Summer Term - Issue 8

## A MESSAGE FROM MRS McLEAN

Dear Parents and Carers,

I hope you are all managing to stay well and are enjoying some of the new freedoms that come with the further easing of lockdown.

This week we have utilised some of our Sports Premium funding to purchase some lovely new resources for school. We have replenished the lunch time equipment to encourage fun, physical activity during free play. We have also purchased some new tennis posts and nets for the MUGA. The children have thoroughly enjoyed trying them out this week.

A healthy lifestyle has an important role to play in well being. With that in mind, the installation of a bike and scooter shelter at Middleton Tyas is now complete and we hope this will encourage our children to cycle or scoot to and from school. This will also create less congestion in the parent car park. If your child is now in school please feel free to use it.

Our staff continue to plan exciting activities and support children with both home and school learning. I would like to thank all of you for your continued support with this new style of learning that has been placed upon us. Please do let your child's teacher know if there is anything that requires further support.

If you need to get in touch with us please continue to use Class Dojo or Tapestry for the class teacher or our school admin team on either: [efadmin@trinityefmt.dalesmat.org](mailto:efadmin@trinityefmt.dalesmat.org) or [mtadmin@trinityefmt.dalesmat.org](mailto:mtadmin@trinityefmt.dalesmat.org)

Do watch out for a 'Special Mention' that may arrive in the post for those children who have shown something exceptional.

Take care and have a lovely weekend!

Kind regards,

*Mrs D. McLean*  
*Head of School*

## Our Stars of the Week are:

**Mrs James:** - Zac Walker for concentrating very well, good reading and writing beautiful cursive letters during phonics.

**Miss Bartle:** Amara Younis for going above and beyond with her home learning and for her wonderful positive attitude towards all aspects of learning, work and play - well done superstar!

**Mrs Parker:** Emily Garget for some super work on shape in maths this week. She made some 3D shapes with cocktail sticks and marshmallows, including a hexagonal prism!

**Mr Keane:** Brody Dobinson for doing some superb work on Romans in the local area for a home learning project.

**Miss Yarrow:** Jacob Reid for challenging himself and achieving success. Well done Jacob.

**Mrs Parker:** Harry Lewis for some super research on our eco topic this week. I particularly liked his eco-friendly car and his plastic flowchart.

**Mr McCulloch:** Katelyn Andrews for excellent effort and enthusiasm, careful work and being a great role model for the younger children at key worker club.
