Friday 3rd April

Dear Parents and Carers,

Despite most of us being apart, I hope that you still feel our strong sense of school community - We are all here to help and support you all. Remember together we have... Roots to Grow and Wings to Fly!

In school staff news, as we come to the end of the Easter term, we say goodbye to Mrs Curzon. We are extremely grateful for everything she has done for our families and schools and wish her all the very best for the future.

I hope that you and your families are all keeping well and safe in these strange times. I have put together a few top tips to help you...

Home learning and Online safety

As you know, we have arrangements in place for home learning. For children in Trinity Tots, Nursery and Reception, please do visit Tapestry and for children in Years 1-6, please do visit Class Dojo. The teachers have shared resources for each class and are communicating with the children on a regular basis. Please do send in work from home too - we love to see what you are all up to!

Please do remember to help your child/ren stay safe online and ensure that you have appropriate parental controls in place. Have a look at these useful links:

Supporting anxiety

Some children may be feeling quite worried and anxious at this time. If so, do have a look at this webpage that the NPSCC have produced, which includes information on: talking about feelings and worries; keeping in touch and balancing screen time; ways to create structure and routine; and helping to give children a sense of control.

Keeping in touch with school

If you need to get in touch with us over the Easter Holidays, please do contact: admin@trinityr.dalesmat.org We do have a small team of staff, who will still be working over the Easter Holidays, so we will continue to check this account regularly throughout the day.

Thank you!

Thank you ever so much to all of the staff who have been working for the last two weeks. We are operating on a rota basis, so every 2 weeks the staff team will change.

The government guidance is very clear... If it is at all possible for children to be at home, then they should be.

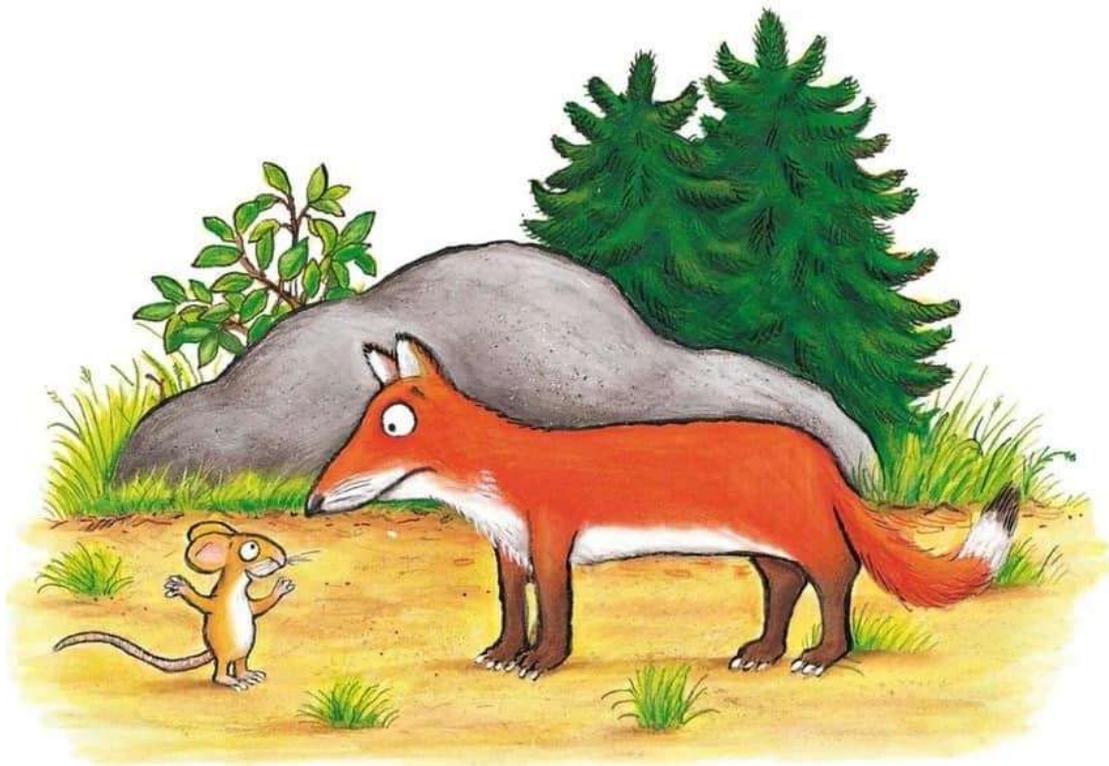

Please do take care and stay safe. Most importantly please help us all to stop the spread of this horrible virus – Keep washing your hands!

Kindest regards,

Mrs K. Williamson
Executive Headteacher

A mouse took a stroll through the deep dark wood.
A fox saw the mouse and two metres away he stood.
*“Where are you going to, little brown mouse?
I hope it’s one of the four reasons you can leave your house.”*
“It’s terribly kind of you to check, Fox, and yes.

I’m going home, saving lives and protecting the NHS.”
