Summer Term - Issue 5

A MESSAGE FROM MRS WILLIAMSON

Dear Parents and Carers,

As always, I hope this finds you well and you've managed to enjoy some of the lovely weather we have had over the past few days.

As we reach the end of the first half of the summer term, I once again want to say a huge thank you to our pupils, their families and our staff. The circumstances we find ourselves in are unprecedented and it is testament to the outstanding community of our schools that our children, and their families, have engaged so positively with their home-learning curriculum.

Moving forward, we would like to celebrate some of the fantastic work our children have been doing by announcing a 'Star of the Week' for each class. Our 'Stars of the Week' for this week are:

Mrs James: Delphine Tarn - A fantastic mix of regular home learning, learning through play, listening to feedback about letter formation and just a positive attitude to this whole situation.

Miss Bartle: Bertie Whent for doing some amazing things and learning in his own unique way!

Mrs Parker: Matthew Ryder for hard work and super effort, especially with his handwriting and his topic work on Australia.

Mr Keane: Jack Madden for his wonderful online video posts all about Egypt, dressed as an ancient Egyptian boatman.

Miss Yarrow: Arabella Hodgson for working extremely hard.

Mrs Parker: Josh Drought for his amazing, imaginative creative writing!

Mr McCulloch: Robbie Slater for excellent engagement with the home learning including an outstanding story about The Highwayman.

During half term, teachers and children will be having a well-deserved break so we will not be uploading new resources onto your child's home-learning platform. There are, however, website links already uploaded should you wish to continue with some form of learning over the course of the week.

If you have an urgent question, the best way to contact staff during half term is on: admin@trinity.dalesmat.org
Mrs McLean is Team Leader for the week, so she will be able to answer any queries. I will, of course, continue to send out updates on our provision as soon as I am able to do so.

Take care, stay safe and enjoy your half term.

Kind regards,

Mrs K. Williamson
Executive Headteacher
