Summer Term - Issue 1

A MESSAGE FROM MRS McLEAN

Dear Parents and Carers,

Welcome to the new term. I hope you had a lovely Easter break and are all keeping well and staying safe during this very strange time.

Firstly, I would like to give a big thank you to our amazing staff in school supporting our most vulnerable children and those of our key workers; and those continuing to support with home learning. They are all working extremely hard to plan, deliver and offer feedback on some super home learning, contact families and complete online training courses. Well done everyone!

Our 'Roots to Grow and Wings to Fly' have certainly shone through this week. I have seen some super home learning and am very proud of the vast range of activities that are taking place. Thank you parents/carers for your continued support, enabling children to continue with some structure and focus to their day. You are all doing a sterling job and should be immensely proud.

A theme shining through this week is one of wellbeing with lots of posts of positivity. I love the idea of making a wish jar and adding some wishes each day for after isolation.

It is lovely to see the great sense of community spirit shining through with people of all ages supporting each other through these unprecedented times. Some of our children have helped cheer up their local area with messages and pictures of hope and joy.

If you need to get in touch with us please contact the class teacher via Dojo or Tapestry or our school admin team on either: efadmin@trinityefmt.dalesmat.org or mtadmin@trinityefmt.dalesmat.org

The government guidance is very clear.... If it is at all possible for children to be at home, then they should be.

Please do take care, stay safe and have a lovely weekend.

Kindest regards,

Mrs D. McLean
Head of School
