Summer Term - Issue 6

A MESSAGE FROM MRS McLEAN

Dear Parents and Carers,

What a fantastic start to our Friday at Middleton Tyas.

It was delightful to welcome back all the Year 1 children who requested a place. The children have had a super day, and it has been lovely to hear their voices in school again, albeit under very different conditions.

Although children are back in school they will continue to follow the same curriculum as home learning.

The preparations for getting our schools ready to welcome more children next week have been completed too. At Middleton Tyas the classroom furniture has been spaced to ensure each child has their own table and resources. The playground has been marked with dots and arrows for a one way system to ease congestion when dropping off and collecting children. At Eppleby Forcett the areas of learning have been changed in both Preschool and Reception to remove all the soft furnishings. The learning areas have been opened up with desks safely spaced and individual resources. On both sites handwashing facilities are in place upon arrival.

Children coming into school will have all the resources they need so please don't send anything in from home (unless they have packed lunch). We will not be sending reading books home. If you have any school books at home please return to the book box outside the classroom upon arrival.

We are continuing to celebrate all the fantastic work our children are doing. Our 'Stars of the Week' this week are:

Mrs James: Isla Moore for having her own creative ideas for learning. Isla has made her own games, learns through play, consistently completes phonics and maths activities and is enjoying her learning at home.

Miss Bartle: Fern Downing, for her exceptional learning and positive attitude during this time.

Mrs Parker: Y2 Matilda Hodgson - A great focus on her home learning activities and super progress with her handwriting.

Mr Keane: Isla Thomas - Engaging really well with home learning and for being super cheerful in all of her posts - like a ray of sunshine!

Miss Yarrow: Henry Applegarth for super work with fractions this week, adding and subtracting fractions and finding fractions of amounts.

Mrs Parker: Freya Williams - Excellent research on her topic activities and for a super effort on her home learning portfolio.

Mr McCulloch: Izzaria Geldard-Phillips and Eva Howarth for excellent engagement with all aspects of the home learning.

If you need to get in touch with us please continue to use Class Dojo or Tapestry for the class teacher or our school admin team on either: efadmin@trinityefmt.dalesmat.org or mtadmin@trinityefmt.dalesmat.org

Please do take care, stay safe and have a lovely weekend,

Kind regards,

Mrs D. McLean
Head of School
