Summer Term - Issue 10

A MESSAGE FROM MRS McLEAN

Dear Parents and Carers,

I hope you are all well and in good spirits despite the inclement weather we have had. The children have had a super week of learning both in school and at home. I have really enjoyed seeing the posts uploaded on Tapestry and Dojo. A big thank to staff for their continued hard work in ensuring all children get quality learning opportunities and of course to you all, for your continued support.

Your child will receive their annual report on Friday 10th July - this will be sent electronically. As a school, we feel it is very important to recognise all the hard work both children and staff put in during the first two terms of the year (up until the point school closure). A cover letter will accompany the report adding further information.

Our new 'Special Mention' postcards have been sent out and well received by those children who are doing something extra special. Lola was absolutely over the moon to receive hers in the post. She was given it for 'her exceptional hard work throughout home learning and for a wonderful act of kindness – hiding books for other children to find around the park'.

Fostering a love of reading is something we strive for at our schools and we would like to share the work of Professor Teresa Cremin, at The Open University, to promote Reading for Pleasure - Sharing the Love of Reading. The link will take you to a website where you can select the relevant age group and complete the activities. Please do share your reading photos and ideas on class Dojo or Tapestry and even on the site itself.

<https://padlet.com/openunirfp/LoveofReading>

As the end of term fast approaches the last two weeks of term will focus on celebrating some of the achievements of the year and ensuring all children receive some transition opportunities. We will close for the summer holidays on Friday 17th July and look forward to welcoming the children back to school on Tuesday 8th September.

If you need to get in touch with us please continue to use Class Dojo or Tapestry for the class teacher or our school admin team on either: efadmin@trinityefmt.dalesmat.org or mtadmin@trinityefmt.dalesmat.org

Kind regards,

Mrs D. McLean
Head of School

Our Stars of the Week are:

Mrs James (Reception): Evie Batty for some very good learning about high frequency words. Evie has done some interesting and imaginative home learning, all done with lots of fun, enjoyment and smiles.

Miss Bartle (Y1): Theo Kirk for his fantastic home-learning. I am incredible impressed with how he has been letting his own hobbies and passions lead his home learning journey – well done superstar!

Mrs Parker (Y2): Sophie Adams as she always tries her best and works hard on her home-learning activities. She has particularly impressed me with her perseverance in maths. She is becoming more confident and able to solve maths problems independently.

Mr Keane (Y3): Eleanor Mortimer for engaging with home learning by doing lots of independent research and topics to a high standard.

Miss Yarrow (Y4): Donovan Tarn for really challenging himself on times tables after identifying it himself as a target. Also for sharing some wonderful home learning opportunities initiated by himself or family members, including a make shift swimming pool heater using an old log burner!

Mrs Parker (Y5): Theo Johnson has done some excellent work at home this week. I particularly liked his 3D 'optical illusion' drawings. He has persevered with his grammar work and shown a super attitude to learning.

Mr McCulloch (Y6): Grace Gratton for writing an excellent 500 word story about the Black Lives Matter movement.
