**On-site learning – We must limit attendance**

Dear Parents and Carers,

We are determined to play our part in supporting the education and welfare of all of our children and families during lockdown and our priority is on providing high quality remote learning as the majority of our children are at home.

As you know, school is only open to the children of critical workers and those deemed vulnerable under the lockdown guidance.

Further to my letter on Friday, the government have now updated the guidance to clearly state that: **parents and carers should keep their children at home if they can.**

In terms of critical workers, please DO NOT send your child into school unless ALL of the adults caring for your child are critical workers on shift. Please only use this service if you absolutely need to.

As the national guidance states: **Limiting attendance is about reducing the number of contacts that all of us have with people in other households** and we need your support with this.

As always, if you have any queries or concerns, please do email the school office and we will be happy to help.

Kindest regards,

Mrs K. Williamson,  
Executive Headteacher
