Spring Term - Issue 2

## A MESSAGE FROM MRS McLEAN

I hope you have enjoyed some fun time in the snow that altered our plans a little this week. I have seen some very creative snow sculptures on our learning platforms.

A love of reading is something we try to instil into our children from an early age and I hope you are all enjoying listening to our marvellous teachers share their class novels and favourite stories. If you want to listen to more, Audible, are offering free access to their children's collection at the moment which you can access via the link below.

I hope you are managing to access the home learning on our learning platforms. I know everyone has different circumstances and we are trying very hard to support you all. It would be really beneficial for English and Maths work for KS1 and KS2 to be uploaded daily so teachers can give feedback and organise subsequent activities accordingly. If you are struggling with access or devices please do get in touch with the office admin via email. If we have not had any interaction on the learning platform please expect a welfare call from your child's teacher.

Finally, I want to say a huge well done to you all. You have adapted to this way of working so quickly and are doing an absolutely marvellous job in challenging circumstances. I am very proud to be part of such a fantastic team in our schools where we all want the very best for your children!

**If you need to get in touch with us please continue to use Class Dojo or Tapestry for the class teacher or our school admin team on either: [efadmin@trinityefmt.dalesmat.org](mailto:efadmin@trinityefmt.dalesmat.org) or [mtadmin@trinityefmt.dalesmat.org](mailto:mtadmin@trinityefmt.dalesmat.org). If you need to get in touch with us urgently, between the hours of 8:45am and 3:15pm, then please phone Middleton Tyas on 01325 377285.**

Thank you, as always, for your ongoing support, take care and stay safe.

Kind regards,

*Mrs D. McLean*  
*Head of School*

## Our Stars of the Week are:

**Mel (Preschool):** Nia Jones for amazing imaginary play whilst listening to our stories and for taking care of her cat before going to the vets. A budding vet in our midst perhaps? Well done Nia!

**Mrs James (Reception):** Corey Addison for excellent remote learning every day with enthusiasm and a smile and for doing lots of writing practice, even on his etch-a-sketch!

**Miss Bartle (Y1):** Mia Jopling for pushing herself this week in all aspects of learning, particularly with our new topic 'Food Glorious Food'. I loved her 3D playdough fruit and her felt apple. Well done Mia!

**Miss Yarrow (Y2):** Rosie Brookes for super perseverance with her Maths this week. Well done!

**Mrs Wass (Y3):** Madeleine Leighton for some fantastic work in Music, making her own instruments to play along with the rhythm of John Williams' Harry Potter music.

**Mr Keane (Y4):** Tallulah Whent for persevering with her remote learning - even when it was quite challenging.

**Mrs Parker (Y5):** Fred Lamb for producing some super work this week. I particularly liked his creative writing which followed this cliff-hanger: 'Houston. Houston come in! Houston, we have a problem.....' He weaved humour into a serious dilemma, well done Fred!

**Mr McCulloch (Y6):** Freya Williams for completing every single one of the tasks to the very best of her ability. She also wrote a fantastic article about the moon landing.
