Thursday 25<sup>th</sup> February 2021

## Full re-opening of schools

Dear Parents and Carers,

As I'm sure you will have seen in the news, schools will fully re-open to all children from Monday 8<sup>th</sup> March. We are so excited and really looking forward to having our full school family back together again.

The Coronavirus prevention measures will continue, in terms of social distancing, more frequent handwashing and increased ventilation. We will also continue to keep groups of children separate. Whilst there is no expectation for primary school children to wear face coverings in school, we do ask that these are worn on the bus please.

We are also asking that you continue to help us to keep all of the children and staff as safe as possible in terms of wearing face coverings on site and maintaining 2m social distancing. Please could we also remind you that where possible only one parent should be dropping off or collecting the children and that parents shouldn't be lingering on the playground.

At Eppleby, the site will remain closed to parents and at Middleton Tyas, we ask that parents continue to use the one-way system and do not enter the building.

Do remember that if you or your child have symptoms, you must get a test and self-isolate for 10 days. We will keep you fully informed if there are any cases in school and will of course continue to provide remote learning, should any groups need to close.

The updated risk assessment will be available on the Coronavirus page on the school website in due course. As always, if you have any queries or concerns, please do email the relevant school office and we will be more than happy to help.

Do take care and keep safe.

Kindest regards,

Mrs K. Williamson,  
Executive Headteacher
