

Activity/ Situation	FULL OPENING OF SCHOOL DURING COVID-19 PANDEMIC			
Location	Trinity Academy Eppleby Forcett – Preschool and Reception			
Persons at Risk	Pupils ☒	Employees☒	Visitors ☒	Contractors ☒
HAZARD(S)	<p><i>Note: this list is not exhaustive and must be adapted for your own needs</i></p> <ul style="list-style-type: none"> ✗ Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed ✗ Social Distancing Measures Not Followed During Travel to and from School ✗ Inadequate Cleaning/Sanitising ✗ Shared Resources ✗ Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors ✗ Site User Becoming Unwell ✗ Site User Developing Symptoms ✗ Inadequate Hand Washing/Personal Hygiene ✗ Inadequate Personal Protection & PPE ✗ Visitors, Contractors & Spread of Coronavirus ✗ Inadequate Ventilation ✗ Arrangements for Boarding Schools During Pandemic 			
CONTROL MEASURES	ADDITIONAL INFORMATION	YES	NO	N/A
<p><i>Note: you must amend and adapt this generic risk assessment to suit your own needs by selecting the controls from the examples provided (adding and amending others where necessary) and then evaluate the overall risk for the activity/situation.</i></p>				
<p>In considering all of the below risks and potential control measures, please be mindful of your duties under the Equality Act by ensuring that there is no adverse impact on any particular group of staff / pupils with protected characteristics</p>				
<p>Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed</p>				
<p>Consistent groups are in place which reduces the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group</p>	<p>Details:- Bubbles as follows: Preschool up to 22 places per session but 37 in the bubble</p> <p>Reception = 21</p> <p>1 Bus bubble = 36 EF (R) 8 MT (1-6) 28 sitting in year group bubbles</p> <p>Note: There will also be a Breakfast Club Bubble and an After School Club Bubble – Numbers TBC but usually both less than 12/10.</p>	☒	☐	☐

<p>The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups</p>	<p>Timetables are in place. Any close contact outside of bubbles will be reported by teachers and logged by the Head of School. This should be a proportionate recording process. Schools do not need to ask pupils to record everyone they have spent time with each day or ask staff to keep definitive records in a way that is overly burdensome</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Distinct groups or 'bubbles' that do not mix are maintained which makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate and to keep that number as small as possible</p>	<p>As above, there are 2 bubbles, plus the bus and before and after school club</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Primary schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in the group become ill with coronavirus (COVID-19).</p>	<p>Circumstances need to be assessed and if class-sized groups are not compatible with offering a full range of subjects or managing the practical logistics within and around school, you can look to implement year group sized 'bubbles' The children will spend the majority of time in their class bubble.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>In the younger years in Secondary Schools (key stage 3), schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in group become ill with coronavirus (COVID-19).</p>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>In Secondary Schools, and certainly in the older age groups at key stage 4 and key stage 5, the groups are likely to need to be the size of a year group to enable schools to deliver the full range of curriculum subjects and students to receive specialist teaching. If this can be achieved with small groups, they are recommended</p>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	Bubbles will keep apart but it is accepted that this is difficult within Early Years.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools with the capability to do it should take steps to limit interaction, and the sharing of rooms and social spaces between groups as much as possible	Each bubble has their own allocated room, outdoor space and hall time for lunch.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group	Preschool and Reception aware	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport	There will also be a Breakfast Club Bubble and an After School Club Bubble – Session numbers average Breakfast Club 12 and After School Club 10. 1 Bus bubble = 36 EF (R) 8 MT (1-6) 28 sitting in year group bubbles	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Siblings may be in different groups	There are a number of siblings in different bubbles.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	Limited number of staff work across bubbles in order to support teaching and learning and will ensure 2m social distancing with other staff.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	Staff aware and will ensure 2m social distancing with other staff. See Inadequate Personal Protection section of this RA Note: 1 member of staff does move between 2 schools, but knows to be extra vigilant.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The number of interactions or changes are minimised wherever possible	We have very limited mixing where staffing will allow	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where possible adults maintain a 2 metre distance from each other, and from children	Staff know to maintain 2m social distancing. This is difficult for young children.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Adults avoid close face to face contact and limit time spent within 1 metre of anyone</p>	<p>Staff aware - direct close contacts - face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin) - proximity contacts - extended close contact (within 1 to 2 metres for more than 15 minutes either as a one-off contact or added up together over one day) with an infected individual Guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person/guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Staff in Secondary schools maintain distance from their pupils, staying at the front of the class, and away from their colleagues where possible</p>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Educational and care support is provided as normal to pupils who have complex needs or who need close contact care with other increased hygiene protocols in place to minimise the risk of transmission</p>	<p>Support in place from 1:1s, TAs and teacher. All support will continue as required e.g. Intimate care or medical support</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Schools, local authorities, health professionals, regional schools commissioners and other services work together to ensure that children with medical conditions are fully supported, including through the use of individual healthcare plans, so that they may receive an education in line with their peers</p>	<p>As above, all support will continue as required for those children who are able to attend and contact in place for those who can't.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	In some cases, the pupil's medical needs will mean this is not possible, and educational support will require flexibility. Our guidance on supporting pupils at school with medical conditions remains in place			
Pupils are seated side by side and facing forwards, rather than face to face or side on	We will do this at lunchtime, using one side of the tables.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Unnecessary furniture has been moved out of classrooms to make more space	Spare furniture has been temporarily relocated	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Large gatherings such as assemblies or collective worship with more than one group do not take place	Collective worship will continue online Children will only sing/shout/chant indoors at 2m distancing or preferably outside. We will not be using wind instruments.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The timetable and selection of classroom or other learning environment has been used to keep groups apart and reduce movement around the school or building	Each bubble has their own allocated areas - allocated room, outdoor space and hall time for lunch and staff know to check if moving around. Avoid creating busy corridors, entrances and exits.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Break times are staggered so that all pupils are not moving around the school at the same time	Each bubble has their own allocated room, outdoor space and hall time for lunch.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lunch breaks are staggered	Each bubble has their own allocated room, outdoor space and hall time for lunch. Hall times: 12-12.30 Reception 12.30-1pm Preschool	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Numbers of staff using Staff Room are limited or the use of Staff Room is staggered to ensure that staff maintain 2 metres distance from each other	Staff are encouraged to eat outside or use their classroom as it is not possible to social distance in the small	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	staffroom – Wipes available. Staff must still have a break of a reasonable length during the day			
Staff meetings take place remotely where possible. Where this is not possible staff meetings take place in a large well ventilated room ensuring 2 metres social distancing at all times	All meetings take place on Teams. Virtual staff meetings could take place where staff stay in their classrooms and join the meeting.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to staggered starts or adjusting start and finish times to keep groups apart as they arrive and leave school	We already have staggered drop off windows, where children will come straight into class, and staggered pick-up times. Staggered start and finish times should not reduce the amount of overall teaching time. A staggered start may include: condensing or staggering free periods or break time but retaining the same amount of teaching time keeping the length of the day the same but starting and finishing later to avoid busy periods.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents' drop-off and pick-up protocols planned to minimise adult to adult contact	Drop off from 9am Preschool and 8.50am Reception. Parents do not wait on a morning – Children come straight into class. Staggered pick-ups (Reception 3pm and Preschool 3.30pm) will minimise adult contact and no parents will enter the school site. CYPS Bulletin	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
All parents/carers entering the school premises (and in other congested areas around school premises) wear a face covering in addition to social distancing	All parents and carers are wearing face coverings if they enter the site but are not expected	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	to (unless exempt). Signage in place. Staff are also wearing face masks for drop off and pick-ups if they are within 2m (not expected). This an extra safeguard to reduce the transmission of the virus. Please note that this does not apply to those who are medically exempt			
Ensure that you inform those travelling by car that they should wait in their car until the specific drop off time	Letters sent to parents and published on website This will reduce the amount of people assembling in and around the school grounds and will help with social distancing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ensure that you inform parents to maintain social distancing from others when dropping off and collecting pupils from school	Letters sent to parents and published on website	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use, only one adult per family should enter school grounds to drop off or collect)	Parents are not entering the site at all. Letters sent to parents and published on website	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)	Letter sent to parents - no parents will enter the school site.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools can resume educational day visits from 12 April	Any educational day visits must be conducted in line with relevant coronavirus (COVID-19) secure guidelines and regulations in place at that time. This includes system of controls, such as keeping children within their consistent groups and the COVID-	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	secure measures in place at the destination. Visits will be checked by the EVC and logged on Evolve as previously.			
Domestic and International residential educational visits must not take place at this time. This will be reviewed no earlier than 17 May	We don't run any domestic or international visits.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
School will work to resume all before and after-school educational activities and wraparound childcare for pupils	Our Breakfast Club and After School Club have re-opened.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School works closely with any external wraparound providers which their pupils may use, to ensure as far as possible, children can be kept in a group with other children from the same bubble they are in during the school day		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If the provision is taking place indoors and it is not possible to group children in the same bubble as they are in during the school day, providers should try to keep them in consistent groups of no more than 15 children and at least one staff member	We keep numbers below 15.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Activities taking place outdoors can happen in groups of any number	This is because the transmission risk is lower outside	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Where parents are using external childcare providers or out of school extra-curricular activities for their children, you should also: <ul style="list-style-type: none"> • advise them to limit their use of multiple out-of-school settings providers, and to only use one out-of-school setting in addition to school as far as possible. • encourage them to check providers have put in place their own protective measures • send them the link to the guidance for parents and carers 	Letters sent to parents and published on website	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If school premises are hired out for use by external wraparound childcare providers, such as after-school or holiday clubs, school have made sure these organisations have: <ul style="list-style-type: none"> • considered the relevant government guidance for their sector • put in place protective measures 		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Social Distancing Measures Not Followed During Travel to and from School				
Parents and pupils are encouraged to walk or cycle to their education setting where possible	Shared in letter to parents	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools, parents and pupils following the government guidance on how to travel safely, when planning their travel on public transport	Guidance shared in letter to parents	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Safer travel guidance for passengers			
Inadequate Cleaning/Sanitising				
A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups is in place	Cleaning regime agreed with NYCC Cleaners and staff will regularly wipe surfaces and door handles – Gloves, cloths and spray are provided.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Frequently touched surfaces, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters etc. are cleaned more often than normal	Staff will regularly wipe surfaces and door handles – Gloves, cloths and spray are provided.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Electronic entry systems and keypads are regularly sanitised particularly first thing in the morning and where possible after each use	Staff use antibacterial handgel before and after each use. Screens and keypads are regularly wiped throughout the day. Note: Sign in system is not electronic.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins for tissues and other rubbish are emptied throughout the day	Bins are emptied daily by cleaners and tied off following lunchtime by a member of staff.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Stocks of cleaning chemicals, liquid soap, paper towels, tissues, toilet roll, bin bags etc. regularly checked and additional supplies requested as necessary	Everything in place and top ups regularly ordered.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	When children are sharing resources in their Bubble, the resources are sprayed with Milton or put away for 72 hours. Each Bubble has their own playtime equipment to use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Outdoor playground equipment should be more frequently cleaned	Each Bubble has their own playtime equipment to use. This would also apply to resources used inside and outside by wraparound care providers	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Shared Resources				
For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared	Children have their own packs of resources. When younger children are sharing resources in their Bubble, the resources are sprayed with Milton or put away for 72 hours.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Classroom based resources, such as books and games, can be used and shared within the bubble; these are cleaned regularly, along with all frequently touched surfaces	When children are sharing resources in their Bubble, the resources are sprayed with Milton or put away for 72 hours.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles	When children are sharing resources across Bubbles, the resources are sprayed with Milton or put away for 72 hours. This includes iPads, laptops and computers (which may be shared within a bubble).	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils should limit the amount of equipment they bring into school each day, including essentials such as lunch boxes, hats, coats, books, stationery, bags and mobile phones (depending on school policy)	We are still limiting resources coming into school where possible to reading books, lunchboxes, hats and coats – Letter to parents sent.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The ability to clean equipment used in the delivery of therapies, for example, physiotherapy equipment or sensory equipment has been assessed and where cleaning or disinfecting is not possible or practical, resources will be either: <ul style="list-style-type: none"> • restricted to one user • left unused for a period of 48 hours (72 hours for plastics) between use by different individuals 	Determine whether this equipment can withstand cleaning and disinfecting between each use before it is put back into general use	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Rules on hand cleaning, cleaning of the resources and rotation apply to these resources	We are still limiting resources coming to and from school where possible to reading books, lunchboxes, hats and coats – Staff	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>aware and letter to parents sent. It is very difficult to adequately clean exercise books so the school may need to isolate the books for 48 hours before marking Staff are using verbal feedback and children are self/peer/recording marking where possible.</p>			
<p>Devices/ laptops/tablets etc. that are brought from home to school and back again are cleaned at the start and end of the day</p>	<p>Any laptops and iPads, brought in by staff, are wiped down at the beginning and end of each day.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors				
<p>Contact with individuals who are required to self-isolate is minimised by ensuring they do not attend the school</p>	<p>Letters and information sent to parents, and on the website, and staff aware.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Anybody contacted by NHS Test and Trace or local health protection team and told to self-isolate because they have been a close contact of a positive case, has a legal obligation to do so</p>	<p>Letters and information sent to parents, and on the website, and staff aware.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Pupils, staff and other adults must not come into the school if:</p> <ul style="list-style-type: none"> • they have one or more coronavirus (COVID-19) symptoms • a member of their household (including someone in their support bubble or childcare bubble if they have one) has coronavirus (COVID-19) symptoms • they are required to quarantine having recently visited countries outside the Common Travel Area • they have had a positive test • have been in close contact with someone who tests positive for coronavirus (COVID-19) 	<p>Letters and information sent to parents, and on the website, and staff aware. Guidance on LFD testing for staff also in place.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>School makes everyone onsite or visiting aware that they must immediately cease to attend and not attend for at least 10 days from the day after:</p> <ul style="list-style-type: none"> • the start of their symptoms • the test date if they did not have any symptoms but have had a positive LFD or PCR test (if an LFD test is 	<p>Letters and information sent to parents, and on the website, and staff aware. Guidance on LFD testing for staff also in place.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>taken first, and a PCR test is then taken within 2 days of the positive lateral flow test, and is negative, it overrides the LFD test and the pupil can return to school)</p>				
<p>The pupil or staff member who tested positive for coronavirus (COVID-19) can return to their normal routine and stop self-isolating after they have finished their isolation period and their symptoms have gone or if they continue to have only a residual cough or anosmia</p>	<p>This is because a cough or anosmia can last for several weeks once the infection has gone. If they still have a high temperature after 10 days or are otherwise unwell, you should advise them to stay at home and seek medical advice.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>The school recognises that if they have two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, they may have an outbreak and will call the dedicated advice service who will escalate the issue to your local health protection team where necessary and advise if any additional action is required</p>	<p>Each individual positive case is discussed with the DfE helpline and advice followed. You can reach them by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Where a pupil routinely attends more than one setting on a part time basis, for example because they are dual registered at a mainstream school and a special setting, the settings should work through the system of controls collaboratively, enabling them to address any risks identified and allowing them to jointly deliver a broad and balanced curriculum for the pupil. Pupils should be able to continue attending both settings.</p>	<p>While some adjustment to arrangements may be required, pupils in this situation should not be isolated as a solution to the risk of greater contact except when required by specific public health advice</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Where individuals are self-isolating and are within the definition of vulnerable, school has put systems in place to keep in contact with them, offer pastoral support, and check they are able to access education support</p>	<p>Remote learning in place including weekly welfare calls.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Where schools and colleges are carrying out their own testing regime, they make it clear to staff and pupils that a negative test result does not remove the risk of transmission</p>	<p>Guidance on LFD testing for staff in place. In some cases, someone who has tested negative may still have the undetected disease and be infectious. It is therefore essential that everyone</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	continues to follow good hygiene and observe social distancing measures whether or not they have been tested			
All CEV pupils should attend their school unless they are one of the very small number of pupils under paediatric or other specialist care and have been advised by their GP or clinician not to attend	Individual risk assessments and support in place where applicable.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CEV individuals are no longer advised to shield but must continue to follow the rules in place for everyone under the current national restrictions	All staff follow our guidelines and risk assessments	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff with specific health conditions who fall within the CEV category and have been shielding, are advised to stay at home as much as possible. If working from home is not possible, they may be asked to return to work. Consideration should first be given to roles in school where it is possible to maintain social distancing. Returning is subject to an individual risk assessment and being able to maintain social distancing as much as possible		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Those living with someone who is CEV can still attend work where home-working is not possible and should ensure they maintain good prevention practice in the workplace and home settings	Individual risk assessments in place where applicable.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CV staff can continue to attend school. While in school they must follow the system of controls to minimise the risks of transmission	Individual risk assessments in place.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff who live with those who are CV can attend the workplace but should ensure they maintain good prevention practice in the workplace and at home	Staff guidelines in place.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Current evidence shows that a range of factors mean that some people may be at comparatively increased risk from coronavirus (COVID-19) where it is not possible to work from home, these staff can attend school as long as the system of controls are adhered to	Individual risk assessments in place where applicable and all staff follow our guidelines and risk assessments. information available on who is at higher risk from coronavirus	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pregnant women are in the 'clinically vulnerable' category	Risk assessment in place School must complete the New and Expectant Mothers risk assessment as well as the Covid	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>Individual risk assessment. Both the New and Expectant Mothers and the Individual Risk Assessment must be reviewed prior to 28 weeks when risk factors increase. Individual Risk Assessments will need to be subject to regular review RCOG Q&A covid19 virus infection and pregnancy</p>			
<p>We currently advise, due to the increased risk of serious illness and premature birth after 28 weeks gestation arising from Covid, that pregnant colleagues in their 3rd trimester do not attend a physical workplace. Therefore, from now on pregnant employees in their 3rd trimester should be directed to work from home if they are currently attending a workplace. This should happen as soon as possible, and so managers are required to send home any pregnant employees who have reached the start of their 28th week of pregnancy</p>	<p>As pregnant women are currently advised not to be vaccinated and there continues to be moderate levels of coronavirus transmission within the community, we have decided to continue to advise those in the 3rd trimester of pregnancy to continue to remain away from workplaces As per NYCC recommendation</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>All employers have a duty of care to their employees, and this extends to their mental health. Make sure you have explained to all staff the measures you are putting in place. Discuss with all staff any changes in place as part of these measures. Because some staff may be particularly anxious about returning, you may need extra systems in place to support staff wellbeing</p>	<p>We provide various support mechanisms for staff including our Mental Health page on our school website. Read about the: extra mental health support for pupils and teachers, Wellbeing for Education return programme Education Support provides a free helpline for school staff and targeted support for mental health and wellbeing</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Volunteers may be used to support the work of the school, as would usually be the case</p>	<p>Volunteers are assigned to one Bubble. Mixing of volunteers across groups should be kept to a minimum, and they should remain 2 metres from pupils and staff where possible</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Specialists, therapists, clinicians and other support staff for pupils with SEND provide interventions as usual</p>	<p>We ask specialist staff to social distance at 2m if possible. We do not ask outside agencies to wear face masks, but some of them insist.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Where it is necessary to use supply staff and peripatetic teachers, those individuals will be expected to comply with the school's arrangements for managing and minimising risk, including taking particular care to minimise contact and maintain as much distance as possible from other staff</p>	<p>We will not be using Sports coaches or Music peris. We will try to keep the use of supply to an absolute minimum and the agency we use has tracking in place. To minimise the numbers of temporary staff entering the school premises, and secure best value, schools may wish to use longer assignments with supply teachers and agree a minimum number of hours across the academic year</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Supply staff, volunteers and other temporary or peripatetic staff can move between schools.</p>	<p>As above, we ask specialist staff to social distance at 2m if possible. We do not ask outside agencies to wear face masks, but some of them insist. They should ensure they minimise contact and maintain as much distance as</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>possible from other staff. Such staff and visitors must follow your school's arrangements for managing and minimising risk based on the system of controls. They should also have access to information on the safety arrangements and be provided with this as soon as possible after the booking. This also applies to other temporary staff and volunteers working in schools such as: support staff working on a supply basis peripatetic staff such as music tutors and sports coaches those working in before and after school clubs</p>			
<p>Site User Becoming Unwell</p>				
<p>If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow the guidance which sets out that they must self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19)</p>	<p>Clear guidelines shared in Staff Guidelines, letter parents/carers and Home School Agreement and all published on the website. Other members of their household (including any siblings) should self-isolate. Their isolation period includes the day symptoms started for the first person in their household, or the day their test was taken if they did not have symptoms, whether this was a Lateral Flow Device</p>	<p><input checked="" type="checkbox"/></p>	<p><input type="checkbox"/></p>	<p><input type="checkbox"/></p>

	(LFD) or Polymerase Chain Reaction (PCR) test), and the next 10 full days. If a member of the household starts to display symptoms while self-isolating they will need to restart the 10 day isolation period and book a test			
If a pupil is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the Pupils and with appropriate adult supervision if required. A window should be opened for fresh air ventilation if it is safe to do so	A plastic chair is available in the front entrance. If weather permits the child will sit outdoors supervised by the administrator at a safe distance. If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If the pupil needs to go to the toilet while waiting to be collected, they should use a separate toilet if possible. The toilet should be cleaned and disinfected using standard cleaning products before being used by anyone else	There is a separate toilet available, near the main office, which can be cleaned after use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE should be worn by staff caring for the pupil while they await collection if a distance of 2 metres cannot be maintained (such as for a very young pupil or a pupil with complex needs)	PPE available in the main office. See Inadequate Personal Protection & PPE section of this risk assessment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In non-residential schools, if a pupil displays coronavirus (COVID-19) symptoms, or has a positive test, while at their school they should avoid using public transport and, wherever possible, be collected by a member of their family or household	Staff aware If someone who uses dedicated transport tests positive, local authorities should work with schools and colleges to identify close contacts	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In exceptional circumstances, if parents or carers cannot arrange to have their child collected, if age-appropriate and safe to do so the child should walk, cycle or scoot home following a positive test result	This is not age appropriate. If this is not possible, alternative arrangements may need to be organised by the school. The local authority may be	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	able to help source a suitable vehicle which would provide appropriate protection for the driver, who must be made aware that the individual has tested positive or is displaying symptoms			
In an emergency, call 999 if the pupil is seriously ill or injured or their life is at risk.	Clear guidance shared in Staff Guidelines. Anyone with coronavirus (COVID-19) symptoms should not visit the GP, pharmacy, urgent care centre or a hospital	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Any member of staff who has provided close contact care to someone with symptoms, regardless of whether they are wearing PPE, and all other members of staff or pupils who have been in close contact with that person, do not need to go home to self-isolate unless: <ul style="list-style-type: none"> the symptomatic person subsequently tests positive they develop symptoms themselves (in which case, they should self-isolate immediately and arrange to have a test) they are requested to do so by NHS Test and Trace or the Public Health England (PHE) advice service (or PHE local health protection team if escalated) which is a legal obligation they have tested positive from an LFD or PCR test as part of a community or worker programme. If an LFD test is taken first, and a confirmatory PCR test is then taken within 2 days of the positive lateral flow test, and is negative, it overrides the LFD test and the individual can return to school 	Clear guidance shared in Staff Guidelines.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell	Clear guidance shared in Staff Guidelines.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The area around the person with symptoms must be cleaned with normal household	Additional cleaning will take place.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

disinfectant after they have left to reduce the risk of passing the infection on to other people	COVID-19: cleaning of non-healthcare settings guidance			
Site User Developing Symptoms				
<p>Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to book a test if they are displaying symptoms. The main symptoms are a high temperature, a new continuous cough and/or a loss or change to your sense of smell or taste. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested if they have symptoms, including children under 5, but children aged 11 and under will need to be helped by their parents or carers if using a home testing kit</p>	<p>Clear guidance shared in Staff Guidelines and letter to parents. The advice service (or PHE local health protection team if escalated) will provide definitive advice on who must be sent home. A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed</p>	☒	☐	☐
<p>School have received an initial supply of 10 PCR test kits before the start of the autumn term in 2020 and information about how to order to replenish this supply when they are running out</p>	<p>PCR Tests in school and additional pack ordered. You can replenish these kits when they run out by making an order through the online portal. You should call the Test and Trace helpdesk on 119</p>	☒	☐	☐
<p>School determines how to prioritise the distribution of their test kits in order to minimise the impact of the virus on the education of their pupils.</p>	<p>The HoS authorises the issue of PCR test kits on an individual case basis after liaising with the Early Years Leader or Admin. The test kits sent to schools are provided to be used in the exceptional circumstance that an individual becomes symptomatic and schools believe they may have barriers to accessing testing elsewhere. These kits can be given directly to staff or parents and carers collecting a</p>	☒	☐	☐

	<p>child who has developed symptoms at school. In particular, these tests kits will also help ensure that symptomatic staff can also get a test and if they test negative, can return to work as soon as they no longer have symptoms of coronavirus (COVID-19). Further information is provided in our guidance Coronavirus (COVID-19): test kits for schools and FE providers.</p>			
<p>The asymptomatic testing programme does not replace the current testing policy for those with symptoms. Anyone with symptoms (even if they recently had a negative LFD test result), should still self-isolate immediately according to government guidelines</p>	<p>Clear guidance shared in Staff Guidelines.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>It remains essential that anyone who gets a positive result from an LFD test self-isolates immediately, as must other members of their household, while they get a confirmatory PCR test</p>	<p>Clear guidance shared in Staff Guidelines and letters to parents.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Whilst awaiting the confirmatory PCR result, pupils, students and staff and close contacts should continue to self-isolate</p>	<p>Clear guidance shared in Staff Guidelines and letters to parents.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Those with symptoms are expected to order a test online or visit a test site to take a lab-based polymerase chain reaction (PCR) test to check if they have the virus</p>	<p>Clear guidance shared in Staff Guidelines.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test & Trace</p>	<p>Clear guidance shared in Staff Guidelines and letters to parents.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to self-isolate if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)</p>	<p>Clear guidance shared in Staff Guidelines and letters to parents. Household members of those contacts who are sent home do not need to self-isolate themselves unless the child,</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	young person or staff member who is self-isolating subsequently develops symptoms			
Parents and staff are asked to inform the school immediately of the results of a test	Clear guidance shared in Staff Guidelines and letters to parents – Logs in place. Schools must not share the names or details of people with coronavirus (COVID-19) unless essential to protect others	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If a member of the household starts to display symptoms while self-isolating they will need to restart the 10-day isolation period and book a test.	Clear guidance shared in Staff Guidelines and letters to parents.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If anyone tests positive whilst not experiencing symptoms, but develops symptoms during the isolation period, they must restart the 10-day isolation period from the day they developed symptoms.	Clear guidance shared in Staff Guidelines and letters to parents.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If someone with symptoms tests negative for coronavirus (COVID-19), then they should stay at home until they are recovered as usual from their illness but can safely return thereafter. The only exception to return following a negative test result is where an individual is separately identified as a close contact of a confirmed case, when they will need to self-isolate for 10 days from the date of that contact	Clear guidance shared in Staff Guidelines and letters to parents. Schools should not request evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Someone who is self-isolating because they have been in close contact with someone who has tested positive for coronavirus (COVID-19) starts to feel unwell and gets a test for coronavirus themselves, and the test delivers a negative result, they must remain in isolation for the remainder of the 10-day isolation period	Clear guidance shared in Staff Guidelines and letters to parents. This is because they could still develop coronavirus (COVID-19) within the remaining days	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If someone with symptoms tests positive, they should follow the ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’ and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or	Clear guidance shared in Staff Guidelines and letters to parents.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>anosmia can last for several weeks once the infection has gone. The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should continue to self-isolate until their temperature returns to normal. Other members of their household should all self-isolate for the full 10 days</p>				
<p>Schools send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 10 days since they were last in close contact with that person when they were infectious</p>	<p>Clear guidance shared in Staff Guidelines and letter to parents. Advice taken from the DfE helpline on each positive case. Close contact can be anyone who: lives in the same household as someone with Coronavirus (COVID-19) symptoms or who has tested positive for coronavirus (COVID-19) has had any of the following types of contact with someone who has tested positive for coronavirus (COVID-19) with either a PCR test or LFD test (if a confirmatory PCR test is negative, provided it was taken within two days of the positive LFD, it overrides the lateral flow test and close contacts can stop self isolating): face-to-face contact including being coughed on or having a face-to-face conversation within 1 metre been within 1 metre for 1 minute or longer without face-to-face contact been within 2 metres of someone for more</p>	<p><input checked="" type="checkbox"/></p>	<p><input type="checkbox"/></p>	<p><input type="checkbox"/></p>

	than 15 minutes (either as a one-off contact or added up together over 1 day) travelled in the same vehicle or a plane			
School must take swift action when they become aware that someone who has attended has tested positive for coronavirus and must contact the dedicated advice service introduced by Public Health England (PHE) and delivered by the NHS Business Services Authority	Each individual positive case is immediately reported to the Trust and discussed with the DfE helpline and advice followed. This can be reached by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Schools will be put through to a team of advisers who will inform them of what action is needed based on the latest public health advice	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Public Health England has good evidence that routinely taking the temperature of pupils by the school is not recommended as this is an unreliable method for identifying coronavirus (COVID-19) so this does not take place	Staff aware. We do have an infrared thermometer available, which may be used if children appear unwell.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Hand Washing/Personal Hygiene				
Staff/pupils/cleaners/contractors etc. will be reminded to clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating	Clear guidance shared in Staff Guidelines and on posters near the main entrance. Ensure that staff have sufficient time to wash their hands regularly, as frequently as pupils	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how often pupils and staff will need to wash their hands and incorporated time for this is in timetables or lesson plans	Staff have timetabled handwashing at key points during the day.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff working with pupils who spit uncontrollably may want more opportunities to wash their hands than other staff		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Pupils who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' may also need more opportunities to wash their hands and this has been considered	Support in place as required, especially with Early Years	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Help given to pupils with complex needs to clean their hands properly	Support in place as required	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Risk assessments for pupils with complex needs that may struggle to maintain as good respiratory hygiene as their peers, for example those who spit uncontrollably or use saliva as a sensory stimulant, have been updated in order to support these pupils and the staff working with them		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Hands are washed with liquid soap & water for a minimum of 20 seconds	Clear guidance shared in Staff Guidelines and on posters.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school has considered whether they have enough hand washing or hand sanitiser 'stations' available so that all pupils and staff can clean their hands regularly	All classrooms have their own sinks, plus additional facilities available in toilets.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Alcohol based hand cleansers/gels can only be used if soap and water are not available, but is not a substitute for hand washing. Such gels MUST ONLY BE USED UNDER CLOSE SUPERVISION. In normal circumstances pupils should not be using alcohol based hand cleansers because of the risk of ingestion	All classrooms have their own sinks, plus additional facilities available in toilets. Skin friendly cleaning wipes can be used as an alternative Before boarding and when leaving the bus, the TA will supervise the use of hand gel for each child.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School has embedded hand washing routines into school culture, supported by behaviour expectations to help ensure younger pupils and those with complex needs understand the need to follow them	As above, staff have timetabled handwashing at key points during the day.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The 'catch it, bin it, kill it' approach is very important and is promoted	Clear guidance shared in Staff Guidelines and Home School Agreement. 	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Disposable tissues are available in each room for both staff and pupil use	Available in every room	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins (ideally lidded pedal bins) for tissues are available in each room	Available in every room and tied off at lunchtime and emptied daily	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School has embedded the 'catch it, bin it, kill it' approach to ensure younger pupils and those with complex needs get this right, and that all pupils understand that this is now part of how the school operates	Staff ensure children use this approach – posters in place. The e-bug website contains free resources for schools, including materials to encourage good hand and respiratory hygiene	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Personal Protection & PPE				
Adults (staff and visitors) in Primary schools DO wear face coverings in areas outside of the classroom	Guidelines shared with staff Staff are wearing face coverings in offices and general areas.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Children in Primary schools do not need to wear a face covering	Letters sent to parents and published on website Although children under 11 are exempt from wearing face coverings on the bus, they are welcome to do so if parents feel they can manage and so wish. Those over 11 must wear a face covering on the bus.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In Secondary schools face coverings should be worn by adults and pupils when moving around the premises, outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained	Some individuals are exempt from wearing face coverings . This applies to those who: people who cannot put on, wear or remove a face covering because of a physical or mental illness or impairment, or disability where putting on, wearing or removing	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	<p>a face covering will cause you severe distress if you are speaking to or providing assistance to someone who relies on lip reading, clear sound or facial expressions to communicate to avoid harm or injury, or the risk of harm or injury, to yourself or others – including if it would negatively impact on your ability to exercise or participate in a strenuous activity</p> <p>The same exemptions will apply in education settings, and we would expect teachers and other staff to be sensitive to those needs, noting that some people are less able to wear face coverings and that the reasons for this may not be visible to others.</p>			
<p>In Secondary schools face coverings should be worn in classrooms or during activities where social distancing cannot be maintained These measures will be in place until Easter when it will be reviewed</p>	<p>This does not apply in situations where wearing a face covering would impact on the ability to take part in exercise or strenuous activity, for example in PE lessons</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Transparent face coverings can also be worn, but only to assist communication with someone who relies on lip reading, clear sound or facial expression to communicate</p>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Face visors or shields can be worn by those exempt from wearing a face covering but they are not an equivalent alternative in terms of source control of virus transmission</p>	<p>Visors may protect against droplet spread in specific circumstances but are unlikely to be effective in preventing aerosol</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	transmission, and therefore in a school environment are unlikely to offer appropriate protection to the wearer. Visors should only be used by those exempt from wearing a face covering after carrying out a risk assessment for the specific situation and should always be cleaned appropriately			
Face coverings do not need to be worn by pupils when outdoors on the premises	Letters sent to parents and published on website	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places	Parents who are exempt inform staff	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are instructed to: <ul style="list-style-type: none"> • not touch the front of their face covering during use or when removing it • dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin) • place reusable face coverings in a plastic bag they can take home with them • wash their hands again before heading to their classroom 	Discussed during assemblies.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Clear instructions are provided to staff and pupils on how to put on, remove, store and dispose of face coverings, to avoid inadvertently increasing the risks of transmission	Discussed during staff meetings and in assemblies.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use	Discussed during staff meetings and in assemblies.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where a face covering becomes damp, it should not be worn and the face covering should be replaced carefully	Staff aware Staff and pupils may consider bringing a spare face covering to wear if their face covering becomes damp during the day We have a small supply of masks available.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Where anybody is struggling to access a face covering, or where they are unable to use their face covering due to having forgotten it or it having become soiled or unsafe, the school has taken steps to have a small contingency supply available to meet such needs	We have a small supply of masks available.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School has a process for when face coverings are worn within the school and how they should be removed	Staff aware and N/A for pupils. This procedure should be communicated clearly to pupils and staff	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Adjustments to be made for pupils with SEND who may be distressed if required to remove a face covering against their wishes		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	PPE available in the main office. safe working in education, childcare and children's social care	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE for coronavirus (COVID-19) is required when performing aerosol generating procedures (AGPs)		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
When working with children and young people who cough, spit or vomit but do not have coronavirus (COVID-19) symptoms, only any PPE that would be routinely worn, is worn	Staff aware	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Visitors, Contractors & Spread of Coronavirus				
All visitors and contractors must make pre-arranged appointments or they will not be allowed on site	All visits must be pre-booked and approved by the EHT	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School ensures site guidance on physical distancing and hygiene is explained to visitors and contractors on or before arrival	In place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where visits can happen outside of school hours, they are arranged as such	In place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely	All visits must be pre-booked and approved by the EHT	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to provide updated risk assessment prior to visit which includes their	All contractors already expected to provide RAs	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits			
As normal, school engages with their local immunisation providers to provide immunisation programmes on site, ensuring these are delivered in keeping with the school's control measures	In place These programmes are essential for children's health and wellbeing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A record is kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test and Trace.	Already in place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Ventilation				
Occupied spaces must always be well ventilated and a comfortable teaching environment maintained	Windows will be kept open and doors if safe to do so - Clear guidance shared in Staff Guidelines. This can be achieved by a variety of measures including: mechanical ventilation systems – these should be adjusted to increase the ventilation rate wherever possible, and checked to confirm that normal operation meets current guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ventilate spaces with outdoor air	Windows will be kept open and doors if safe to do so - Clear guidance shared in Staff Guidelines.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Natural ventilation – if necessary external opening doors may also be used provided this doesn't compromise safeguarding measures			
Where possible, occupied room windows should be open	Windows will be kept open if safe to do so - Clear guidance shared in Staff Guidelines.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Switch air handling units with recirculation to 100% outdoor air where this is not possible, systems are operated as normal	Further advice on this can be found in Health and Safety Executive guidance on air conditioning and ventilation during the coronavirus outbreak and CIBSE coronavirus (COVID-19) advice .	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and assist with creating a throughput of air	Doors are propped open where possible to minimise touching them. Fire doors must not be propped open unless they have a self-closing hold open device fitted	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In cold weather where the school heating system is activated, windows are open to provide trickle ventilation rather than being fully open	Where possible windows are partially open if the heating is on. Discussed at staff briefing. natural ventilation – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to opening high level windows in preference to low level to reduce draughts	Where possible high windows are used. Discussed at staff briefing.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Consideration given to only opening every other window instead of all windows when the heating is activated	Where possible alternate windows are used, when the heating is on. Discussed at staff briefing.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school offers flexibility to allow additional, suitable indoor clothing	Children are asked to wear their school uniform but parents are asked to ensure children wear additional base layers – Letter sent. For more information see School uniform	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Furniture rearranged where possible to avoid direct drafts	Staff have been asked to consider this.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces	Already in place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
When heating is activated and windows are on trickle vent, consideration is given to employing desk fans to move any stagnant pockets of air	Staff were asked to consider this but didn't feel that desk fans were necessary. Desk fans are pointed away from people and pointed at walls etc.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If school needs to use additional heaters they only use sealed, oil filled electric heaters	We avoid using additional heaters in classrooms, although we do have some oil filled electric heaters as the heating has been broken. Electric fan heaters used sparingly due to increased fire and electrical risk	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Arrangements for Boarding Schools During Pandemic – N/A				
Have you consulted with the people/representatives undertaking the activity as part of the preparation of this risk assessment		Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	
What is the level of risk for this activity/situation with existing control measures		High <input checked="" type="checkbox"/>	Med <input type="checkbox"/>	Low <input type="checkbox"/>
Is the risk adequately controlled with existing control measures		Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>	
Have you identified any further control measures needed to control the risk and recorded them in the action plan		Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	
ACTION PLAN (insert additional rows if required)	To be actioned by			
Further control measures to reduce risks <i>so far as is reasonably practicable</i>	Name	Date		

Whilst our usual Fire Evacuation procedures apply, staff know to stay in their bubbles and socially distance between bubbles as in the Staff Guidelines.		In place	
Staff will administer First Aid within bubbles.		In place	
Use 'spots' and signage to support social distancing in outdoor areas inc the pavement outside the school as authorised by the Parish Council.		In place	
Ensure antibac wipes are available in the staffroom, by the photocopier and toilets.		In place	
Ensure Milton sterilising fluid is available for equipment that children put in their mouths, including water bottles and resources in Early Years.		In place	
Admin staff to use own kettle in own office if possible.		In place	
State overall risk level assigned to the task AFTER implementation of control and action plan measures taken as a result of this risk assessment	High <input type="checkbox"/>	Med <input checked="" type="checkbox"/>	Low <input type="checkbox"/>
Is such a risk level deemed to be as low as reasonably practical?	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	
Is activity still acceptable with this level of risk?	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	
If no, has this been escalated to senior leadership team?	Yes <input type="checkbox"/>	No <input type="checkbox"/>	
Assessor(s): Position(s):	Mrs K. Williamson Executive Headteacher	Signature(s):	<i>KWilliamson</i>
Date:	15.04.2021	Review Date:	19.04.2021 Weekly review in staff briefings
Distribution: ALL STAFF			

Risk rating	Action
HIGH	Urgently review/add controls & monitor, notify H&S Team (if Likely or Highly Likely – stop work, seek competent advice)
MEDIUM	Review/add controls (as far as reasonably practicable) & monitor
LOW	Monitor control measures

POTENTIAL OUTCOME		LIKELIHOOD		POTENTIAL OUTCOME					
Catastrophic	Fatal injury/permanent disability	Highly likely	More likely to occur						
Major	RIDDOR reportable Specified Injury/Disease/Dangerous Occurrence	Likely	↓						
Moderate	RIDDOR reportable over 7 day injury	Possible							
Minor	Minor injury (requiring first aid)	Unlikely							
Insignificant	Minor injury	Remote	Less likely to occur						
				Remote	Unlikely	Possible	Likely	Highly Likely
